

Event Report

4 Counties Golf Captains Championship 2019 At West Wiltshire Golf Club Wednesday 19 June

<u>Weather Report</u> Clouds scudded across the sky all day and the odd intermittent spots of rain. It then poured down during the meal.

<u>Course Report</u> Course in good condition though greens were sticky, and all putts had to be struck a little firmer than expected. Plenty of grass off the fairways which had the usual bald patches after last summer's lack of rain

<u>Matches</u> 6 pairs a side. Format 4BBB off 90% handicap, maximum stroke allowance 18, White Tees. First Tee 1200hrs with a 2-tee start, 1^{st} and 10^{th} .

<u>Background Information</u> This event was and remains as a match_between the committees of the 4 Counties and engender friendship and social interchange fostered by the game we all love, GOLF. In general, Dorset have always kept to selecting Committee members whenever possible and then adding Captains to make up the numbers. Berkshire and Dorset were keen supporters of this event and Derek Grimes played a key part in its origins. We intend to ask Derek to write a short history of its origins detailing who were the drivers and who presented the main prize. The event is held in alphabetical order and it started in Berkshire then to Dorset. Next year it is due to be held at The Temple, Hurley Near Maidenhead. Dorset will host the event in 2021. Where? Too soon to know! The handicap allowance of 90% applies to all golfers with a handicap less than 18. Those players over 18 are limited to a maximum of 18.

This year it was Wiltshire's turn to run the event which was held at West Wiltshire Golf Course which stands on the very top of Elm Hill which dominates the town of Warminster. There are spectacular views over the surounding countryside and it overlooks the Infantry Training base which is on the outskirts of the town and the very Western end of Salisbury Plain which is the largest military training area in England

This year, Dorset played with their Somerset counterparts whilst the hosts Wiltshire played with Berkshire.

There was a 2 course meal afterwards and much banter in the Clubhouse. The meal as a standard golfers menu was Roast Beef, Yorkshire pudding, Roast potatoes and selection of fresh local vegetables with horse radish sauce followed by Bread and Butter Pudding with Custard

The result sheet is attached, and you will see that we had reasonable results but not good enough to be near the top of the leader board 5 teams count and the score of the 6^{th} team is used should there be a tie for count back.

The day was a good day's golf, in excellent company making new friends and catching up with old friends
