

## 2026 Match Registration

We play 16-a-side matches against 9 county golf captains associations and the Dorset Past Lady Captains. We ask members to give us their preferences for the matches by ranking them 1<sup>st</sup> choice, 2<sup>nd</sup> choice, 3<sup>rd</sup> choice, etc.

Selection is by ballot and we endeavour to give all registered players at least one of their 1<sup>st</sup> and 2<sup>nd</sup> choices. Please see the list of matches on the following page. I recommend players print the following page, check their diaries and decide their match preferences 1,2,3,4, .....8,9 before using the [online link here](#) (and below) to register.

Please be aware that players who focus their choices on the most attractive Away fixtures may find they are selected for only one or two matches. Players whose preferred choices include Home as well as Away matches will generally play in more matches.

Players may include a match at their own club and will be required to pay the full match fee of £50 if they should play where they are a member.

We will also enter teams of 12 in a 4-counties event at The Caversham, a 6-counties event at Launceston and a two-day multi-county event at St Mellion. Selection for these events is by the Captain based on availability, level of support and equity as much as on ability. Please indicate whether you are available for each of those events.

The matches Away against Cornwall & Devon are on consecutive days. The 6-Counties event is a long journey. We are currently negotiating an overnight hotel rate for these trips and will ask selected players to specify whether they will share or need a single room. We will ask players to pay a deposit at the end of February for these matches and events.

We hold a number of internal events which are listed here, entry forms will be published 6 – 8 weeks before each event, please add the dates to your diary:

- Wed 24th June Mixed Greensomes Came Down GC
- Tue 30th June Presidents Day (individual stableford) The Dorset G&CC
