Yesterday saw our home match against Gloucestershire golf captains at Bulbury Woods golf club. The course presented in excellent condition as we followed the seniors club championship. Fast fairways and true greens allowed for some excellent golf. 7 of the 8 matches were decided on the 17th or 18th greens, so excellent competitive games.

A collection was made for the captain of the Gloucestershire captains. He has been a fund raiser for MND for over 20 years and has now been diagnosed with this disease. Thank you to all captains who donated to this worthwhile cause. Their president was very touched by our generosity and promised to pass the money on. He assured me that their captain would be very grateful. Well done Chris Lay for organising.

The result of the match was a Dorset win 5.5-2.5, but the generosity and the camaraderie was far more important.

Kind regards

John Skinner Captain 2025
