Oxford captains were our guests yesterday at a windy Bridport & West Dorset Golf Club. We were extremely lucky with the weather, only 1 light shower on a day that promised heavy rain. The course presented very well with much of the rough cut to a reasonable length where balls could be found quickly enabling a good pace of play. The hospitality of the club was exceptional with good food & bar service.

Oxford came with a very strong team with single figure handicap players in most pairings. Al & I had a very tight match with neither side holding a lead beyond 1 hole. A half was agreed walking down the 18th fairway both sides being in similar positions at the green. Eddie Galjaard & David Thomas were 3 down after 3 holes but turned the game on its head leading 2 up after 9. They finished with a 5/3 win.

Unfortunately, these were our only positive results with Oxford winning 6.5/1.5. All other matches still reached at least the 16th green with 2 matches settled on the last. This was Oxfordshire's 8th consecutive win against DGC. Hopefully next year will break that run. We have a busy month now with matches against Cornwall, Hampshire, 4 counties and President's day. I look forward to seeing you all again.

It was my pleasure to welcome Al Gibson, Bridport captain, to the group and present him with his DGC tie.
