Our last inter county match of the season at The Wiltshire. The weather has certainly affected the course with drainage slits cut in the spring now dried out and leaving ravines in the fairways, and greens with huge areas with no grass. Despite the course, everyone had a great day out with our fellow captains. Two matches were halved, one won on the last, all other matches made it to the 15th, 16th or 17th green. I would like to thank everyone who has played for DGC this year. You have all been a credit to our group. We have had a fantastic season playing with friends from around the south west and I believe we still have a great future. Kind regards
